### What's in this class for me??

- Learn the importance of collaborative efforts between State and local agencies and how it can help Drug Endangered Children.
- Relate our learning experiences to your own agency and bring home the benefits of identifying drug endangered children.
- See the data...the good and the not so pretty

### Success Stories

- 4 year old boy left in car
- 9 month old baby with bruises and burns
- My first home visit after training
- Building relationships with DHS workers

---

---

---

---

---

---

---

---

### What now??

- Continue training by offering FLEX train or web based training for department. Sending reminders with success stories.
- Training for half way house staff, prisons, and probation
- Developing parenting support and fatherhood programs for both Metro and rural areas.
